Veterinary Student's Oath

Being admitted as a student in the
Virginia-Maryland College of Veterinary Medicine,
I solemnly accept as a
lifelong obligation, the pursuit of
scientific knowledge and skills
for the benefit of society
through the protection of animal and public health,
the conservation of animal resources,
and the relief of animal suffering.
I will pursue my professional education
conscientiously, with dignity,
and in keeping with the principles of
intellectual integrity and veterinary medical ethics.
